#### **What is it?**

SpeakUP! - Youth Voice and Leadership, is a day of creative workshopping activities for up to 85 young people aged 9-25yrs from across the West Midlands, that will help to inform and shape the development of arts and cultural opportunities in the West Midlands.

We are inviting young people who have taken part in a variety Arts Connect programmes to SpeakUP! so that we can better understand their experiences, needs and future ambitions for arts and culture provision aimed for, by and with children and young people (0-25 years).

We aim to use our findings to inform and shape both the work of Arts Connect and support our place-based Cultural Education Partnerships in the West Midlands.

At the event young people will have the opportunity to:

- Meet other young creatives with a passion for arts and culture in the West Midlands
- Share their experience of taking part in arts and culture
- Work together to identify some of their key values, priorities and ideas for arts programmes and projects for, with and by children and young people
- Develop their leadership skills

**Arts Connect, mac Birmingham, Cannon Hill Park, B12 9QH**

Applicants will be required to:

- Meet before the event to discuss the brief, plan and prepare; (This could be online)
- Attend the event itself and help to capture the key points and actions.
- Meet after the event to collate their findings in a way that can be shared effectively with Arts Connect and our wider sector partners. (This could be online)

We are keen to reflect the diversity of the regions we represent, and therefore we positively encourage applications from young people from the widest possible diversity of backgrounds, cultures and experiences.

Nothing. We are able to offer a bursary of £250 plus agreed travel to support involvement of each young person.

### Who's providing support?

**The nominating organisation** – as we are holding planning for this event online, we are asking that all young people nominated are aged over 18 and up and including 25-year-olds. If a young person nominated requires a **supporting adult**, please indicate who this would be and provide their details too. For example, the supporting adult could be a teacher/ youth worker / project manager or parent/carer. A **supporting adult** and **nominating organisation** would also ensure that any young people involved can access equipment and internet usage in a safe and supportive space.
